

“TOMAHAWK MARCHING BAND CHAMPIONSHIP”

Itawamba Community College invites you to participate in the **Tomahawk Marching Band Championship**, **Saturday, October 14, 2023**, on our Fulton, Mississippi campus.

The **Tomahawk Marching Band Championship** will provide an opportunity for bands across the Mid-South to perform in both a competitive and educational environment.

Adjudicators from across the nation will critique bands, color guard and percussion with the same caption-based criteria used in the MHSAA State Marching Band Championships.

Classifications and Performance Order

Band classification will reflect that of the MHSAA State Marching Band Championships. Because the **Tomahawk** is a precursor to that event, all bands will be entered only in their official Mississippi classification. Out-of-state bands will be placed in class based on total high school enrollment. Performance times within each class will be determined by random draw.

Adjudication Captions

As per the MHSAA State Marching Band Championships, the following captions will be adjudicated:

General Effect – Music
General Effect – Visual
Color Guard

Music Performance – Ensemble
Music Performance – Individual
Percussion

Visual Performance – Ensemble
Visual Performance – Individual
