Directors:

Please see the attached information pertaining to State Band Clinic. The Student List shows all students accepted, **including both the all-state concert band and clinic students**. At the end of this file you will also find an All State Concert Band list that is in chair order.

Please note that due to many new schools opting to bring students to clinic, we are over capacity; therefore, there will be no substitutions when canceling. Please make your students aware of their acceptance as soon as you see them and be certain they will be able to attend (this is an ACT date). Please contact Len Killough, lenkillough@yahoo.com, for cancellations as soon as you know them. You will have until Friday, December 1st to make any cancellations without having to pay for that student. After Dec. 1st, you will be responsible for paying for that student.

You can still send student fees for clinic to Len Killough. The cost is \$120 per student and \$50 per student for Wednesday night (if you are coming down on Wednesday); however, if you cannot send payment before Dec. 1st, we would rather you wait and pay at clinic registration so fees don't get caught in the mail.

Please contact Len Killough, lenkillough@yahoo.com, if there is anything wrong with the list. Check for misspellings, wrong gender, etc. This list was chosen as soon as possible following Lions Band Call Back Auditions (late into the night) so there are certainly possibilities for errors. Email Len Killough for any changes in this regard.

As a reminder, please submit the Wednesday night form to Mr. and Mrs. Rigdon if you are planning on staying Wednesday night. Mr. and Mrs. Rigdon do an awesome job of having things organized for your arrival. We want to make sure that we have enough rooms reserved on Wednesday for your students, so please get this form to them by Dec. 1st at the latest.

These files will also be on our website <http://www.msbandmasters.com>

Looking forward to seeing everyone,

Director of Bands, Oak Grove High School
