

MHSAA – MBA Sweepstakes Award

Proposal

Establish a “MHSAA – MBA Sweepstakes Award” for bands that receive a Superior Rating from all Concert, Sight Reading, and Marching judges.

The purpose of this award is to recognize and reward those bands that motivate their students to perform to the highest level by receiving Superior Rating from all nine adjudicators at State Marching Festival and State Spring Concert Festival.

Bands would have to receive a Superior Rating from each of the three Concert Judges, the three Sight Reading Judges, and the three Marching Festival Judges to qualify for this Award. If a band earns a Superior rating in a category, Concert, Sight Reading, and Marching, but one of the nine judges awards an Excellent rating or a lower rating, that band would not qualify for the “MHSAA – MBA Sweepstakes Award.”

Bands that are awarded a “MHSAA – MBA Sweepstakes Award” would receive an appropriate trophy no bigger than 12 to 14 inches specifically designed for this award.. The trophy should be of a quality and unique design that directors would want to display and keep.

The MHSAA – MBA Sweepstakes Trophy will be presented to the Band Director at State Spring Concert Festival when they receive their band’s ratings and adjudicator sheets.

Trophies for the MHSAA – MBA Sweepstakes Award will be paid for out of profits from the MHSAA – MBA State Marching Championship.
