

Mentoring Program Goals and Guidelines

Provide visible support opportunities for growth and advancement

Assist young teachers with organizational and communication skills

Instill a sense of community and knowledge that the mentor is willing to invest resources in the young teacher's future

Provide practical career and job advice

Promote networking opportunities between experienced teachers and younger faculty

Facilitate knowledge and sharing between among other colleagues through clinics, observations, and conversations

_____ Yes, I would like to be a mentor. I understand that it will be my responsibility to be available to help my mentee with any questions, concerns, or problems she may be having in the field of music education. I also understand that I will need to make time to call, e mail, visit my mentee throughout the school year.
