

The goal of the mentoring program is to pair a young teacher with a more experienced teacher that will be available to offer advice in the field of music education. Although this program is designed to help young teachers it is not limited to just new teachers to the profession. This program is open to ALL women band directors regardless of the number of years you have been teaching. If you would like to have a mentor, please fill out the information below and e mail it back to me. **E Mail to [smcarthur@psd.ms](mailto:smcarthur@psd.ms)**
